

ATT: Swedish Lapland AiR Network

Invitation conference #4, 8th – 9th April 2019

Location: Institutet, Övertorneå & SveFi/Aines Haparanda/Torneå

Hey!

Hope you all had a great winter! It's time for our next conference, this time it will be in Övertorneå/Haparanda/Torneo. We are looking forward to visit some new members in this network.

Bojana Panevska from [TransArtists](#) will be with us during the days and there will be joint workshops and lectures. The conference will be conducted in English as a common language. The theme of the conference will be about structuring an open call; PR, marketing and building sustainable relationships with the artists; and about the budget.

Compensation

Since many of you are artists participating in the project, a grant (based on a monthly income of 35,000 SEK) will be paid for lost income per conference meeting.

It means:

2 full days = 3 500 SEK + VAT (for travelers)

1.5 day = 2 626 SEK + VAT (for those living in Övertorneå/Haparanda/Torneo)

Due to a tight budget, a maximum of two people from each residency can apply for lost income.

However, several people from the residency may attend the course.

The project will compensate for travel, food and accommodation (maximum two persons from each residency). Those who run a residency through institutions are expected to cover your own costs when it comes to salary.

Hotel that is booked: [Svefi guest house](#) in the centre of Haparanda, single rooms are booked.

Carpooling

We will organize carpooling for you who drive via Luleå.

Dates and time

8 th of April we start 13.00 – 17.30, dinner 19.00

9 th April 9.00 – 15.00
